Arbor Parent App

Arbor is a simple, smart and cloud-based Management Information System. The Parent App and Parent Portal mean we can keep you informed about your child's life at school in a much more accessible way. Log into Arbor to see your child's information and make payments on the go! The Parent Portal works on Google Chrome and you can download the Parent App. There are still a few families not using Arbor so please ask at the office if you need any help.

Thank you.
