Free School Meals

You may know that school receives extra funding for each child entitled to free school meals. This money is spent wisely to provide our pupils with a host of activities and resources. The more money school receives the more we can spend on your child. Please go to the school website, 'Parents & Carers' tab/Key Information/Free School Meals and scroll down to the link to register. Even if you are not sure please check eligibility as it is beneficial to the school and your children.

Thank you.

IMPORTANT

School is owed an awful lot of dinner money.

You must pay for your child's meals in advance and keep the account in credit.

Failure to do this may result in your child being refused meals and the debt passed on to the Multi Academy Trust Legal Services for further action.

Thank you

Dinner Options

If a pupil would like to change their lunchtime option from sandwiches to dinners or vice versa, you must let the school office know in writing at the end of each term. Once a meal option is chosen it should be adhered to for the whole term which enables the kitchen to produce the correct number of meals. This includes Pizza Friday. We recently had to check all the children having dinners/sandwiches as the cook was either running low on food or having lots left over. Some children changed to sandwiches without telling us which results in them still being charged for a meal and the meal being prepared by the kitchen which is then wasted.

Your cooperation is very important.

Thank you.
