Dear Parent/Guardian,

I wanted to let you know that I'll be outside The Oval School gates tomorrow from 3pm, alongside the Pride in Place engagement team, and I'd really like to hear from you.

Our area is set to benefit from a £20 million Pride in Place investment, with £2 million being invested every year for the next 10 years.

This is a huge opportunity to make a real difference locally, but it's important to me that local people have a say in how that money is spent. I want to hear directly from parents and residents about what you think our community needs and where you would like to see the investment made.

That could be improvements to our local environment and public spaces, community facilities, activities for young people, support for local organisations, or other ideas that you believe would make a positive difference.

I'll be outside the school gates from 3pm tomorrow, so if you're there for school pick-up, please come over, say hello and share your thoughts with me and the Pride in Place team.

Furthermore, if you or your child have any concerns you wish to discuss, you are very welcome to contact me via email at Liam.byrne.mp@parliament.uk or by phone on 0121 789 7287.

Yours sincerely
